About This Game

LoveBeat is a free-to-play rhythm game that you can dance by hitting arrow keys and spacebar. A lot of amazing indie songs will give you both the excitement of playing the game and the delight of listening to your favorite songs at the same time. Build new friendships with other LoveBeat dancers all over the world by using plenty of cheerful emotes and social functions. New fashion items are updated regularly to allow the players to showcase their trendy styles. You can also change character's body shape and apparels to express your own style.

Let's join LoveBeat dance party where it's full of friendly people all over the world!

Key Features

- **Skill Based Gameplay**
 - No cheap power-ups here, only your skill matters. So practice makes perfect in this challenging rhythm game.
